

NOT SURE PRODUCTIONS

Founded in 2019, Not Sure Productions has emerged as a respected producer of high quality underground bass music events. Attention to detail and high end sound equipment are the driving factor behind the success. We provide sound system design and diagnostics, event production and consulting, technical production like video and VJ services, and a hassle-free good time for you and your audience.

NOT SURE PRODUCTIONS

Sponsorship Package

Who Are We?

We are a local production company here in Bozeman called Not Sure Productions. We specialize in high end music events. Some of our more well known events include Bass by the Water which is our annual EDM night at the Bozeman Hot springs, our seasonal events at Club Zebra which include, Bass Blizzard, Bass Blossom and Bass Harvest. In Butte, we provide production for Joybulation's Movies in the park night at Clarks Park. We also handle sound and production at Butte pride as well as a number of private events like weddings, corporate party's and anything in between.

We are reaching out to partner up with your local business as a sponsor for one of our upcoming shows! Our sponsorship packages are a great way to help grow your brand and bring more foot traffic/sales to your business. Sponsorships typically start at \$750, but vary depending on event type and size. Custom sponsor requests and multi-event packages can also be negotiated.

What's Included?

1. Shout outs across our socials and website with links to all of your companies socials, websites etc.
2. Logos across all of our graphics both digital and hard copy. This includes posters, handbills etc. Which we distribute across the state via our street teams
3. Mentions with social links in the event description both on Facebook and the ticketing site we use.
4. A booth set up at the show where you will be able to sell or give away merch and do raffles. This is also a great way to develop an email list for your company if needed.
5. Banner placement for your company throughout the venues
6. Shout outs from the stage throughout the night of the event. With instructions to go visit your booth.
7. A custom graphic highlighting your company logo which we will use to announce the sponsorship across our socials.
8. 3 tickets to the event being sponsored.
9. Sponsors are the exclusive vendor for hard copy tickets without fees, driving traffic to your business.

Strategies:

Some great ways to maximize sponsorship results are running free and/or paid raffles or games at the show, passing out discount cards with a stamp or mark on them to track sales/customers, customer punch cards, selling merch and social media and mailing list follows/sign ups.

If this is something you'd be interested please reach out. Also, if there's anything you'd like to add to the package we are happy to accommodate within reason. Thanks so much for your time. We look forward to hearing from you.

Thank you
